**Superintendent of Schools**    *"Everybody is Somebody at East Rockaway Schools"*  
Roseanne C. Melucci, Ed.D.

April 4, 2011

Dear Parents/Guardian,

Earlier this year in December and March, I wrote to you to keep you informed about the work of the STAR committee. This was a committee of parents, teachers and administrators who met during the year to review and revise the STAR program criteria.

At this time I am pleased to let you know that the committee completed its task and finalized the STAR program criteria that will be used for this year's third trimester, as well as for each of the trimesters next year. The details are listed on each elementary school's website.

I thank you for your patience as the committee progressed with its work. I look forward to celebrating the accomplishments of our students as they earn their stars.

Sincerely,

Roseanne Melucci, Ed.D.  
Superintendent of Schools
